How to read this sheet

Each company card shows: Exam name · Campus/Off-campus availability · Package · Role · Section-wise breakdown (questions, time, topics, difficulty). Sections are elimination rounds unless noted otherwise. Negative Marking = No for all companies listed. **TIER 1** = Mass recruiters, very likely to visit campus. **TIER 2** = Regular recruiters. **TIER 3** = Occasional/off-campus focus. Companies with **OFF-CAMPUS** tag can be applied to independently via their careers portal anytime, parallel to campus drives — no conflict.
